

**Privacy policy:
Version 01: april 2014**

Article 1. General

1.1 Thank you for visiting our Compositesplaza E-store. This privacy policy tells you how we handle personal information collected at our webshop. Please read this privacy policy before using the E-store or submitting any personal information. By using our webshop, you are accepting the practices described in this privacy policy. These practices may be changed, but any changes will be posted in this chapter and changes will only apply to new activities and information. You are encouraged to check the newest version of our privacy policy whenever you visit the webshop to make sure that you understand how any personal information you provide will be used by Compositesplaza's E-store.

Article 2. Collection of Information

2.1 We collect personally identifiable information, like names, postal addresses, email addresses, etc., when voluntarily submitted by our visitors and customers. The information provided by you, our customer, is only used to fulfill your specific request.

Article 3. Cookie/Tracking Technology

3.1 Our E-store may use cookie and tracking technology depending on the features offered. Cookie and tracking technology are useful for gathering information such as browser type and operating system, tracking the number of visitors to the Site, and understanding how visitors use the Site. Cookies can also help customise the Site for visitors. Personal information cannot be collected via cookies and other tracking technology, however, if you previously provided personally identifiable information, cookies may be tied to such information.

Article 4. Sharing of Information

4.1 We may share information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorised transactions; or, (3) investigating fraud which has already taken place. The information is absolutely not provided to these companies for marketing purposes.

Article 5. Commitment to Data Security

5.1 Your personally identifiable information is kept secure. Only authorised employees, agents and contractors (who have agreed to keep information secure and confidential) have access to this information.
